SUMMARY ORDER

NOW ON THIS 18<sup>th</sup> day of June, 2025, this matter comes before Susan Gile, Executive Director, Kansas State Board of Healing Arts (“Board”), in summary proceedings under K.S.A. 77-537.

Under K.S.A 77-537 and K.S.A. 77-542, this Summary Order shall become effective as a Final Order, without further notice, if no written request for a hearing is made within 15 days of service. Upon review of the agency record and being duly advised in the premises, the following findings of fact, conclusions of law, and order are made for and on behalf of the Board:

Findings of Fact

1. Gene H. Lee, M.D. (“Licensee”) is or, at all times relevant hereto, has been licensed to practice medicine and surgery in Kansas, having been granted an Active license through the Interstate Medical Licensure Compact, K.S.A. 65-28,133 (“IMLC”), on March 20, 2019. Licensee’s current license designation is Active. Licensee last renewed this license on July 31, 2024.

2. Licensee’s last mailing address known to the Board is **CONFIDENTIAL**,  
**CONFIDENTIAL**. Licensee’s last email address known to the Board is **CONFIDENTIAL**

Gene H. Lee, M.D.  
License No. 04-41956  
Summary Order

3. Licensee's State of Principal License under the IMLC is Washington. (Bd. Ex. 1 – IMLC Renewal 2024, p. 1).

4. Licensee is or, at all times relevant hereto, has been licensed to practice medicine in Wyoming, having been granted a license to practice by the Wyoming Board of Medicine (“the Wyoming Board”) on or about February 20, 2019 (Bd. Ex. 2 – Wyoming Order, p. 7).

5. Both the Wyoming Board and the Kansas Board of Healing Arts are “member boards” as defined by K.S.A. 65-28,133, Section 2(h) of the IMLC.

6. On or about May 8, 2025, the Wyoming Board issued an Order Granting Motion for Default; Order of Suspension; Order of Reprimand; Order Imposing Civil Fine (“the Wyoming Order”). Among other terms and conditions, the Wyoming Order suspended Licensee's license to practice in that state for 90 days, and which suspension may be lifted upon Licensee's providing Wyoming proof of continuing education for the years 2020-2023. (*Id.* at p. 5).

#### Applicable Law

7. Under K.S.A. 65-28,133, Section 10(d) of the IMLC:

**“If a license granted to a physician by a member board is revoked, surrendered or relinquished in lieu of discipline, or suspended, then any license issued to the physician by any other member board shall be suspended, automatically and immediately without further action necessary by the other member boards, for 90 days upon entry of the order by the disciplining board, to permit the member boards to investigate the basis for the action under the medical practice act of that state. A member board may terminate the automatic suspension of the license it issued prior to the completion of the 90-day suspension period in a manner consistent with the medical practice act of that state.”** [emphasis added]

**Conclusions of Law**

8. The Board has jurisdiction over Licensee as well as the subject matter of this proceeding, and such proceeding is held in the public interest.

9. Based on the facts set forth herein, the use of summary proceedings is appropriate, in accordance with K.S.A. 77-537. The use of summary proceedings in these circumstances does not violate any provision of law, and the protection of the public interest does not require the Board to give notice and opportunity to participate to non-parties.

10. On or about May 8, 2025, the Wyoming Board, a member board of the IMLC, suspended Licensee's license to practice medicine.

11. Under K.S.A. 65-28,133 Section 10(d) of the IMLC, because Licensee's license to practice medicine was suspended by an IMLC member board, the Board must automatically and immediately suspend Licensee's license to practice in Kansas for ninety (90) days but may terminate the automatic suspension prior to the completion of the 90-day suspension period in a manner consistent with the Kansas Healing Arts Act.

**IT IS HEREBY ORDERED** that Licensee's license to practice medicine and surgery in Kansas is **SUSPENDED** for a period of 90 days from the date this Order becomes effective as a Final Order.

**PLEASE TAKE NOTICE** that upon becoming effective as a Final Order, this document shall be deemed a public record and be reported to any reporting entities authorized to receive such disclosure.

Dated this 18<sup>th</sup> day of June, 2025.

Gene H. Lee, M.D.

Kansas License No. 01-41956

2. Gene H. Lee, M.D. (Dr. Lee) held Wyoming Physician License No. 12003C issued by the Board. Therefore, Dr. Lee is subject to the Board's jurisdiction.

Petition and Motion

3. In 2023, Dr. Lee renewed his Wyoming physician license and indicated that he had obtained the required continuing medical education (CME).
4. Dr. Lee was selected in a random audit of his CME credit hours for the period of July 2020 through June 30, 2023.
5. Board staff sent multiple letters to Dr. Lee requesting him to provide the supporting documentation for his CME for 2020 - 2023. He did not respond.
6. Ms. Emily McGrady was assigned as the Interviewer (Petitioner).
7. On November 14, 2024, Petitioner filed a *Petition and Complaint Notice of Opportunity to Answer Notice of Procedure Notice of Opportunity for Informal Resolution* (Petition) (attached hereto as **Attachment A** and fully incorporated herein) alleging that Dr. Lee violated multiple provisions of the Wyoming Medical Practice Act (Act), Wyo. Stat. Ann. §§ 33-26-101 through -703, and the Board's administrative rules.
8. Dr. Lee failed to respond within thirty (30) days as required by Chapter 7, Section 6(d). He also failed to submit to an informal interview.
9. On January 17, 2025, Petitioner filed Motion (attached hereto as **Attachment B** and fully incorporated herein).

Default

10. The Wyoming Supreme Court has held that the right to practice a licensed profession is a conditional property right protected by due process:

The right to practice a licensed profession is a conditional property right protected by the due process clauses of the Constitution of the United States and the Constitution of the State of Wyoming. Procedural due process requires the applicant be given reasonable notice and a meaningful opportunity to be heard by the body []before government action may substantially affect a significant property interest.

*Penny v. State ex rel. Wyo. Mental Health Professions Licensing Bd.*, 2005 WY 117, ¶ 51, 120 P.3d 152, 175 (Wyo. 2005).

11. "Failure to file an answer or cause an appearance to be entered shall constitute a default by the respondent." *Bd. of Med. Rules*, Ch. 3 § 7, 052.0001.7.06052024.
12. Dr. Lee was given fair notice of the proceedings against him. Additionally, Dr. Lee was given ample opportunities to be heard in this matter.
13. Pursuant to Chapter 7, Section 6(d), Petitioner's Motion is appropriate under the facts and circumstances of this case and is hereby **GRANTED**.

#### Disciplinary Sanction

14. "Once the default is established the defendant has no further standing to contest the factual allegations of the plaintiff's claim for relief." *Zweifel v. State ex rel. Brimmer*, 517 P.2d 493, 499 (Wyo. 1974) (citation and quotations omitted).
15. A professional licensee, including a physician, who defaults in a disciplinary proceeding cannot be denied his or her license without a factual basis in addition to the allegations deemed admitted by virtue of the default. *See Bd. of Pro. Resp. v. Custis*, 2015 WY 59, ¶ 31, 348 P.3d 823, 831 (Wyo. 2015).
16. In disciplinary proceedings, the Board does not rely on default alone to determine that a violation has occurred. In addition to the allegations deemed admitted by default, there must be a factual basis for the violation. *Id.*, ¶ 36, 348 P.3d at 832.

17. Board staff repeatedly requested that Dr. Lee produce the required documentation, but he did not. He also failed to submit to an informal interview.
18. The Board finds and concludes that Petitioner proved by clear and convincing evidence Dr. Lee violated Wyoming Statute § 33-26-402(a)(x), (xxiii), and (xxviii), and Chapter 3, Section 7(a), (f), (g), and (h) as charged in the Petition.
19. The Act establishes the general powers and authority of the Board. Specifically, the Board is empowered and directed to “[g]rant, refuse to grant, suspend, restrict, revoke, reinstate or renew licenses to practice medicine [.]” Wyo. Stat. Ann. § 33-26-202(b)(i).

20. The Act establishes that the Board may take one or more of the following actions:

(ii) Issue a public or private reprimand;

\* \* \*

(iv) Impose a civil fine not exceeding twenty-five thousand dollars (\$25,000.00);

(v) Suspend the license[.]

Wyo. Stat. Ann. § 33-26-405(a)(ii), (iv), (v).

21. The Board finds and concludes Dr. Lee’s Wyoming physician’s license should be suspended until he provides the Board office documentation regarding his CME for 2020 - 2023. He should also be reprimanded for his failure to respond to repeated Board staff requests for documentation related to his CME and claimed competency. Given the repeated requests that went unanswered necessitating a complaint being filed and investigated, the Board also finds and concludes that Dr. Lee should be assessed a five hundred dollar (\$500.00) civil fine.

22. This Order is a final agency action.

**ORDER**

**IT IS HEREBY ORDERED** that *Petitioner's Motion for Entry of Default Disciplinary Order and Request for Setting* is **GRANTED**.

**IT IS FURTHER ORDERED** that Dr. Lee's Wyoming Physician License No. 12003C shall be **SUSPENDED** for **ninety (90) days**. The suspension may be lifted when Dr. Lee provides the Board office documentation regarding his CME for 2020 - 2023.

**IT IS FURTHER ORDERED** that Dr. Lee's Wyoming Physician License No. 12003C shall be **REPRIMANDED**.

**IT IS FURTHER ORDERED** that Dr. Lee shall pay a civil fine in the amount of **Five Hundred dollars (\$500.00)**, payable to the "State of Wyoming," **within ninety (90) days**.

**IT IS FURTHER ORDERED** this Order shall constitute a final order of the Board. Additionally, this Order is a public document.

Lee, M.D., Respondent. In support hereof, Petitioner states and alleges as follows:

1. The Board is the exclusive regulatory and licensing agency in the State of Wyoming regarding the practice of medicine and surgery, as provided in the Act.
2. Petitioners are members of the Board which is authorized by WYO. STAT. ANN. §§ 33-26-202(b) and 33-26-401(a), and Board RULES AND REGULATIONS, Chapter 7, Section 4(b), to investigate upon a written and signed complaint or on its own motion any information, that if proven, would fall within the jurisdiction of the Board and would constitute a violation of the Act.

4. WYO. STAT. ANN. §§ 33-26-202(b) provides:

The board is empowered and directed to:

. . .

(xiv) Adopt, amend, repeal, enforce and promulgate reasonable rules and regulations necessary to implement and administer continuing medical education requirements of its licensees.

5. Board RULES AND REGULATIONS, Chapter 3, Section 7 provides:

(a) To renew, reinstate or reactivate a license to practice medicine in Wyoming a physician shall verify satisfactory completion of not less than sixty (60) hours of continuing medical education (CME) earned in any combination of the following during the previous three (3) years:

. . .

(f) Licensee shall maintain CME records for no less than four (4) years and such records shall be made available to the board upon request.

(g) Failure to complete CME requirements as described in this rule may cause the physician to be ineligible for annual renewal of his/her license. Failure to produce records reflecting that a physician has completed the required minimum continuing medical education hours upon written request by the board may constitute unprofessional conduct under W.S. 33-26-402(a)(xxviii).

(h) The board shall periodically conduct a random audit of approximately ten (10%) percent of its active licensees to determine compliance with these rules. The practitioners selected for the audit shall provide a signed statement of completion of the required hours and all supporting documentation within forty-five (45) days of the date of the notice of the audit. Failure to comply with the audit may subject the licensee to disciplinary action by the board as set forth above in subsection (g). If found to have not completed the requirement noted above, a licensee shall have not more than six (6) months within which to comply with this rule.

6. Respondent was selected to be included in a random audit of licensees continuing medical education (CME) credit hours for the period of July 2020 through June 30, 2023.

7. On November 15, 2023, January 10, 2024 and February 7, 2024, the Board sent written correspondence to the Respondent at his address of record, **CONFIDENTIAL**

**CONFIDENTIAL**, informing him of the audit and requesting that he provide supporting documentation of his CME hours obtained in 2020 through 2023. Respondent failed to respond to any of the audit letters requesting CME documentation.

8. Because Respondent failed to respond to requests or provide any CME documentation, the Board opened Complaint No. 1494 and sent notice to Respondent on February 27, 2024. Because Respondent again failed to respond, the Board sent a Second Notice requesting a response to Complaint No. 1494. No response was again received from Respondent.

9. On June 18, 2024, the Board sent a Notification of Interviewers Appointed to Respondent at his address of record on file with the Board. This letter was returned by USPS indicating a forwarding address had expired and provided a new address for Respondent of **CONFIDENTIAL**.

10. On August 20, 2024, the Board sent a Notice of Informal Interview to Respondent at his new address as identified by USPS. The notice was also sent to the Respondent's email address of record **CONFIDENTIAL** with the Board. The Notice set an informal interview for September 11, 2024 at 9:20 a.m. Respondent failed to either waive the informal interview or attend it.

11. WYO. STAT. ANN. § 33-26-402, provides in part that:

(a) The board may refuse to renew, and may revoke, suspend or restrict a license or take other disciplinary action, including the imposition of conditions or restrictions upon a license on (1) or more of the following grounds:

(x) Violating or attempting to violate or assist in the violation of any provision of this chapter or any other applicable provision of law;

(xxiii) Failing to submit to an informal interview. . . ;

(xxvii) Unprofessional or dishonorable conduct not otherwise specified in this subsection, including but not limited to:

12. Board RULES AND REGULATIONS, Chapter 6, Section 4 provides:

(a) All licensees shall maintain a current mailing address on file with the board.

(b) All licensees shall maintain a current physical address on file with the Board. This address shall be the licensee's address of record for purposes of service of any disciplinary action brought against licensee under the Act.

(c) the licensee shall update his or her mailing address and physical address with the Board by submitting, within forty-five (45) days of the effective date of the new mailing or physical address, a completed change of address form as published by the Board. Failure to maintain current mailing and physical addresses with the board shall be grounds for disciplinary action.

The hearing examiner may receive the evidence and compile the record in a contested case hearing outside the personal

presence of the Board hearing panel, pursuant Board RULES AND REGULATIONS, Chapter 7, Section 12(a) and (b). Respondent may be represented by legal counsel at every stage of the proceedings.

After the contested case is concluded, the Board shall issue Findings of Fact, Conclusions of Law and Order. The Board Order may take one or more actions specified in WYO. STAT. ANN. § 33-26-405.

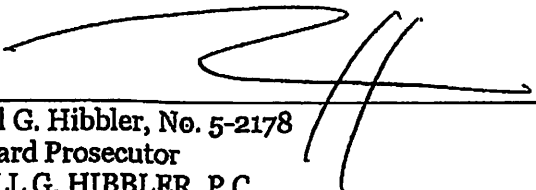

**NOTICE OF OPPORTUNITY FOR INFORMAL RESOLUTION**

Respondent and the Petitioners may enter into a consent decree, subject to Board approval. Respondent may voluntarily request suspension, relinquishment, restriction or imposition of conditions on Respondent's Wyoming physician license, although the Board is not required to accept such a request. The reasons, grounds, conditions and other provisions of any consent decree, voluntary relinquishment, suspension, restrictions or conditions or other Board action in lieu of a contested case hearing shall be recorded on the docket and become a permanent part of the Board's files.

DATED this 14<sup>th</sup> day of November, 2024.

4. On November 14, 2024, a Petition and Complaint, Notice of Opportunity to Answer, Notice of Procedure, Notice of Opportunity for Informal Resolution, was filed by Petitioners against Respondent.

5. Because Respondent failed to respond to an October 17, 2024, letter requesting Respondent to identify acceptable service of process, the matter was served via WRCP 4 (k) through (q), service by publication. That publication was properly completed on December 12, 2024, as evidenced by the attached EXHIBIT 1. The affidavit of publication was mailed to the Respondent's address of record on file with the Board.

6. Board RULES AND REGULATIONS, Chapter 7, Section 6, provides:

(d) The respondent shall file an answer to the petition, or cause an appearance to be entered in the matter before the board, within thirty (30) days of service of the petition. Failure to file an answer or cause an appearance to be entered shall constitute a default by the respondent.

7. More than thirty (30) days has elapsed since service of the Petition upon the Respondent via publication and Respondent has failed to file an answer or to enter an appearance in the matter before the Board.

8. Because of Respondent's failure to respond, Petitioners are entitled to the entry of a default disciplinary order from the Board based upon the violations set forth within the original Petition and Complaint. Any discipline ordered by the Board is entirely within the Board's authority and discretion.

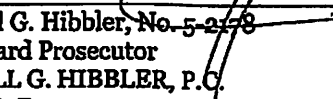

9. It is appropriate that this matter be set for hearing before the Board at its next scheduled meeting. While Petitioners, through counsel, will file a prehearing disclosure statement, no prehearing conference is necessary.

**WHEREFORE**, Petitioners respectfully request that this matter be set for hearing before the Board for consideration of entry of a default disciplinary order, for costs of publication in the amount of \$200.00 (WRCP 4(q)) and for other relief as deemed appropriate.
