

ATHLETIC TRAINER PRACTICE PROTOCOL

As a condition of performing the functions and duties of an athletic trainer in this state, each athletic trainer must submit a practice protocol to the Board. The practice protocol shall be signed by the athletic trainer and the responsible MD, DO, or DC who will delegate the responsibilities that constitute the practice of the healing arts. A practice protocol is required for each responsible MD, DO, or DC. For all supervision requirements, see [K.A.R. 100-69-9](#).

Email the completed practice protocol to KSBHA_Licensing@ks.gov or mail directly to the Board. It is highly recommended that both the athletic trainer and responsible MD, DO, or DC make and keep copies of all practice protocols submitted to the Board. Confirmation will be sent via email after the agreement has been processed.
