

## FEDERAL ENCLAVE ATHLETIC TRAINER PRACTICE PROTOCOL

For an athletic trainer practicing on a federal enclave, the athletic trainer should submit a separate practice protocol to the Board per [policy 24-01](#). The practice protocol shall be signed by the athletic trainer and the responsible MD, DO, or DC who will delegate the responsibilities that constitute the practice of the healing arts.

Email the completed practice protocol to [KSBHA\\_Licensing@ks.gov](mailto:KSBHA_Licensing@ks.gov) or mail directly to the Board. It is highly recommended that both the athletic trainer and responsible MD, DO, or DC make and keep copies of all practice protocols submitted to the Board. Confirmation will be sent via email after the agreement has been processed.
